◆ OMB

P1 RESOLUTION NO. 08-22. ADOPTING A TENTATIVE MILLAGE RATE FOR FY 08/09.

SECOND PUBLIC HEARING, SECOND AND FINAL READING

NOTE: This Resolution establishes City millage rate for fiscal year 2008-2009 property taxes, which will be billed by the County Tax Collector in November. The proposed rate is the same millage rate as this fiscal year or 4.5478 per \$1,000 of next taxable value. The proposed millage rate of 4.5478 relative to the roll-back rate of 4.9756 represents an overall tax decrease of 8.60%.

- P2 **ORDINANCE NO. 3641.** AN APPROPRIATIONS AND TAX LEVY ORDINANCE OF THE CITY OF PINELLAS PARK, FLORIDA, COVERING THE FISCAL YEAR BEGINNING OCTOBER 1, 2008 AND ENDING SEPTEMBER 30, 2009; BEING AN ORDINANCE APPROPRIATING FUNDS REQUIRED FOR THE PURPOSE OF MEETING THE GENERAL OPERATING EXPENSES OF THE CITY FOR SALARIES, WAGES, FEES NECESSARY OR PROPER, DISBURSEMENTS AND OTHER EXPENDITURES NECESSARY OR PROPER FOR THE OPERATION OF THE CITY GOVERNMENT, THE WATER AND SEWERAGE UTILITY SYSTEM AND FOR THE PURPOSE OF MEETING DEBT RETIREMENT REQUIREMENTS AND CAPITAL IMPROVEMENTS DURING SAID FISCAL YEAR.

SECOND PUBLIC HEARING, SECOND AND FINAL READING

NOTE: This Ordinance legally appropriates the City budget for the fiscal year October 1, 2008 through September 30, 2009. It reflects the changes as discussed at Council's Budget Workshop.

(reference material — Ordinance, *P2 on 9/11/2008 Council agenda*)

- P3 **ORDINANCE NO. 3640.** AMENDING ORDINANCE 3573 ADOPTING THE BUDGET FOR FISCAL YEAR 2007/2008.

PUBLIC HEARING, SECOND AND FINAL READING

NOTE: In the General Fund, the ordinance amends this year's budget for some minor housekeeping items such as fuel, telephone, water, etc. For the Police Confiscated Fund, we have appropriated funds (previously approved by Council) for training costs and audio/visual equipment for their training room. In the Capital Projects fund, several water and sewer projects have been deferred to fiscal year 2008/2009. In addition, funds have been added to the budget for the 114th Avenue Bridge. There have been some minor housekeeping budget adjustments in the Capital Projects Fund as well. In total, the City's budget for this fiscal year will decrease by approximately \$2.2 million.

◆ COMMUNITY DEVELOPMENT

- P4 **CONSIDERATION OF AN EXPANSION TO A CONDITIONAL USE FOR AN “AUTOMOBILE DEALER-NEW CARS AND USED CARS” IN THE “B-1” GENERAL COMMERCIAL ZONING DISTRICT BY ADDING 0.23 ACRES TO THE SITE FOR THE EXPANSION OF THE VEHICLE DISPLAY AREA WITH VARIANCES TO INCREASE THE MAXIMUM FENCE AND WALL HEIGHT, FOR A CERTAIN PARCEL OF LAND GENERALLY LOCATED AT 8501 U.S. HIGHWAY 19. (CU 2008-24/BOA 2008-41 Southerlin Imports, LLC./Roland Dove, P.E.)**

CONTINUED PUBLIC HEARING (QUASI-JUDICIAL)

NOTE: The applicant proposes the expansion of AutoWay Toyota’s new car dealership to include two vacant parcels and, if approved, the vacated portion of an alley, a companion case to this request (V 2008-6), a total of 0.23 acres MOL of land southeast of the site to be utilized for a vehicle display area. The applicant proposes the construction of a fence and/or wall along the following property lines: an eight-foot-high, solid wall located in the front yard setback along the east property line functionally abutting a mobile home park and abutting single family dwellings along the south property line; and a six-foot-high, chain link fence located in the front yard setback along the west property line functionally abutting an automobile dealer. Therefore, the applicant is requesting variances to increase the maximum height of a fence and wall in the front yard setback and along the property lines to eight feet. Surrounding uses are: to the north, Tampa Bay Regional Planning Council, Help a Child and vacant commercial land; to the south, West Coast Car and Truck Sales and a single family dwelling; to the east, Golden Gate Mobile Home Park; to the west of the proposed vehicle display area, West Coast Car and Truck Sales; and to the west of U.S. Highway 19, a vacant commercial building and AutoWay Toyota’s temporary storage yard and future site for their new car dealership. Subject to any matters that may be discussed at the hearing, staff has not identified any inconsistencies with the Comprehensive Plan. The proposal should have no adverse effect on adopted levels of service for City infrastructure. At its meeting on August 7, 2008, the Planning and Zoning Commission recommended APPROVAL of the above requests subject to conditions.

ACTION: (Approve – Deny) A request for an expansion to a Conditional Use for an “Automobile Dealer-New Cars and Used Cars” and “Automotive Repair Facility (Major)” in the “B-1” General Commercial Zoning District by adding 0.23 acres to the site for the expansion of the vehicle display area with variances to increase the maximum fence and wall height for a parcel of land generally located at 8501 US Highway 19, subject to the following conditions:

P4

1. The maximum fence height shall not exceed six feet in the west, front yard setback.
2. The maximum wall height shall not exceed eight feet in the east, front yard setback and south property line.
3. The variances are for the six-foot-high, chain link fence and eight-foot-high, solid wall only.
4. All previous conditions of approval, as noted in Section II A of this report, shall remain in full force and effect.

(reference material — staff report, excerpts of P&Z minutes of 8/7/08, application, map, site plan, *P4 on 9/11/2008 Council agenda - tabled*)

- P5** **RESOLUTION NO. 08-24. A RESOLUTION VACATING AN APPROXIMATELY 20-FEET-WIDE BY 52-FEET-LONG PORTION OF AN APPROXIMATELY 20-FEET-WIDE BY 609-FEET-LONG NORTH/SOUTH RIGHT-OF-WAY (AN ALLEY) GENERALLY LOCATED BETWEEN 40TH WAY NORTH AND 40TH STREET NORTH AND SOUTH OF 84TH AVENUE NORTH, SECTION 27, TOWNSHIP 30 SOUTH, RANGE 16 EAST. (V 2008-6 Sutherlin Imports, LLC and Arthur Pollard of Spring Engineering, Inc.)**

CONTINUED PUBLIC HEARING, FIRST AND FINAL READING

NOTE: The applicant is requesting the vacation of an approximately 20-foot-wide by 52-foot-long portion of an approximately 20-foot-wide by 609-foot-long north/south right-of-way (an alley). The right-of-way and abutting properties are being combined in order to provide additional land area for a proposed expansion to Autoway Toyota's auto sales center and parking/storage area. No City Divisions or private utilities have raised objections to the proposal provided that easements are retained or utilities are relocated at the expense of the applicant. The Planning and Zoning Commission, at their meeting of August 7, 2008, recommended APPROVAL of the vacation, based on the following Findings of Fact:

1. The vacation is consistent with the policies of the Comprehensive Plan.
2. The various utility agencies and City divisions have no objection to the vacation provided that easements are retained or utilities are relocated at the expense of the applicant.

(reference material — resolution, Attorney approval letter, staff report, excerpts of the P&Z meeting of August 7, 2008, application, map, *P5 on 9/11/2008 Council agenda - tabled*)

- P6 ORDINANCE NO. 3642. AN ORDINANCE AMENDING AN ADOPTED MASTER PLAN CONTROLLING DEVELOPMENT IN AN EXISTING “IPUD” INDUSTRIAL PLANNED UNIT DEVELOPMENT FOR PROPERTY GENERALLY LOCATED AT 3765 62ND AVENUE NORTH. (PUD 2007-2(R)2/MS 2008-41/BOA 2008-33, JoMar Commerce Park LLC/William Shirley and Tom Radcliffe P.E., Lloveras, Baur & Stevens)**

**PUBLIC HEARING, SECOND AND FINAL READING
(QUASI JUDICIAL)**

NOTE: The applicant is requesting consideration of the adoption of a revised Master Plan for an existing “IPUD” Industrial Planned Unit Development with underlying “M-1” Light Industrial Zoning on an 8.753 acre (mol) parcel of land generally located at 3765 62nd Avenue. The applicant proposes an outdoor storage area located on the northern portion of Lot Five, for PODS. Views from the north will be shielded by the PODS units that will be stacked along the north property line that will perform the same function as a solid wall. With the addition of an outdoor storage area, the applicant will need to reduce the areas designated for parking. A total of 89 required spaces out of 134 spaces would be eliminated with the outdoor storage use. The applicant has performed a parking calculation based on their use and have determined they will only need 35 parking spaces. This was based on maximum number of employees and customers for their day-to-day operations. In order to provide flexibility, a total of 45 spaces with six additional loading spaces will be kept. Staff has conditioned any approval of this parking variance to run with the current business, not to run with the land. The changes to setbacks for the mechanical equipment are related to conflicts discovered in the field. The condensing units installed on the north side of the building located on Lot Four interfere with dumpster pick-up. The applicant will need to relocate the units to either the west or east side of the building. Depending on final location of installation, setbacks to property lines will differ; therefore, the applicant is requesting zero setbacks for any elevated mechanical equipment. However, the locations will still meet the Location Design Standards of 25 feet from lot line closest to residential property. Subject to any matters that may be discussed at the hearing, staff has not identified any inconsistencies with the Comprehensive Plan. The proposal should have no adverse effect on adopted levels of service for City infrastructure. Surrounding land uses are: to the north, Youth Park; to the south, Magnolia Gardens ALF, Highland Park MHP, and vacant residential land; to the east Lake Boisvert, ACT Environmental Solutions, Seal Best Corp., and United Oriental Foods; and to the west, Park Place Center and a workshop/warehouse development. The Planning and Zoning Commission recommended APPROVAL of the request at its meeting of August 7, 2008, subject to the following conditions;

1. All previous conditions of approval shall remain in full force and effect.

P6

2. The requested variance to parking will expire upon the expiration of the current lease between the current lessee and lessor. Said variance may be extended by the lessor by providing the request in writing to the Zoning Division Director at least 30 days prior to the expiration of the lease. . The extension will only be valid for the additional lease term.
3. All elevated mechanical equipment platforms shall have zero setbacks to internal and external property lines and shall have a minimum clearance of 12 feet from grade when placed above City maintained utilities.
4. PODS units will be squarely and neatly stacked along the north property line so as to function as an effective visual screen from the north. No advertising/signage, to include company name or logo, shall be placed on the PODS units northern face.
