### NOTE TO THE OWNERS:

Upon submittal of all of the above, the Building Division reviews for compliance to building codes, reviews the setbacks to the construction and landscape codes. Upon approval, a permit will be issued. You, the owner, pay the Building, Electrical, Mechanical, Plumbing, Gas, Landscape, Engineering, Technology, Parkland / Library fee, and Radon fees at the time of issuance. If you use subcontractors, each one must come into the Building Division to register his/her license with Pinellas Park and sign the permit form to take full responsibility for their part of the work, before they begin their work. Inspections need to be called 24 hours in advance by call the inspection line at (727) 369-5834.
