Subject: transportation task force presentation

Good afternoon Mayor Mischler,

As you may know, the Transportation Task Force is now meeting and we are scheduling presentations to the City's and Chambers. Commissioner Seel cannot possibly meet with all the cities and chambers herself within the next few months. She has asked for other Task Force members to present the Task Force purpose and to ask for input from your City/Chamber officials. I have volunteered to present to your City. Will you please let me know what dates are available, sometime in July - September for me to present?

Thanks,

Stan
