Make Your Event Shine in the Pinellas Park Performing Arts Center

Pulling off that spectacular event is easy with our 1554 square foot stage and brand new professional sound and lighting equipment.

The Main Hall seats 500 guests. Our lobby allows for room to sell CD’s, books, programs or other related merchandise.

Loading and unloading is easy. Dressing rooms can be accessed from the outside so your bus or trailer could pull up right next to the building for easy access.

There are two restrooms located back stage for performers convenience.

A covered entrance keeps your guests out of the rain and summer sun. Upon entering they may purchase concessions and relax in our inviting lobby.

The Pinellas Room is located opposite the concessions stand so your guests may enjoy their own special occasion before the show.

You may want to reserve the room yourself to enhance your event by setting up displays or an additional sales or reception area.

You can also use it to strategize or have a pre-show celebration for clients, volunteers or V.I.P.’s.

Give us a call and we’ll help you put together an event to remember.

Give Your Guests the Red Carpet Treatment

Our 4,779 square main hall is more than enough space for a concert, theatrical play, elegant dinner, a meeting with all of your business associates or an expo your attendees will rave about.

As an alternative to our theater seating, we offer round banquet tables and rectangular dinner/display tables. The hall can also be cleared for your own booths or custom set-up.

The Pinellas Room is the perfect place to meet, dine, organize and showcase in private or open to the festivities of the main hall.
