Please note if a person decides to appeal any decision made by the Community Redevelopment Agency with respect to any matter considered at the above-cited meeting, they will need a record of the proceedings, and for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. The City maintains a digital recording of all public hearings. In the event you wish to appeal a decision, the recording may or may not adequately ensure a verbatim record of the proceedings; therefore, you may wish to provide a court reporter at your own expense.
