LIABILITY EXPLANATION: Only the project person shall enter into a hydrant water service agreement and said person shall be charged with the responsibility of supervising the terms of the agreement. In no way does this remove the responsibility of damages to the hydrant and/or meter and appurtenances from the firm. Said firm shall be primarily liable for any damages incurred to the hydrant and/or meter and appurtenances during the period specified in the agreement until the stated removal date or until the firm petitions the City in writing to remove the water service from the hydrant and then only after disconnection has been accomplished. This responsibility shall extend to all authorized and unauthorized representatives of the firm. Any misuse, negligence, and/or violation of any of the terms of the agreement shall result in the immediate termination of said agreement and all other hydrant agreements until such time as all discrepancies have been cleared with the Finance Department. Reconnection under such conditions shall only be made upon reapplication for hydrant water service and approval of the Public Works Administrator or the Assistant Public Works Administrator/Public Utilities Director.

AGREEMENT: Said firm agrees to make application for temporary hydrant water service forty-eight (48) hours prior to requested date and time for the start of the proposed hydrant use; to use the water from the hydrant only for the purpose outlined above; that all conditions of liability are understood; that no person from the firm nor any third party shall be allowed to operate the hydrant including the operating nut; that all damages to the hydrant and/or meter and appurtenances shall be paid out of deposit and that any remaining fee shall be applied to the water bill encumbered with the remainder, if any, being returned to the firm; that delinquency in payment shall result in cancellation of all other hydrant water service agreements; that delinquency shall cover any unpaid portion after it has been sent by the Finance Department to the firm; that all outstanding balances must be paid within forty-five (45) days or be considered delinquent; and that any dispute shall be resolved by reference to Chapter 10-121 (c) of the City Code of Ordinances and Administrative Regulation #21.91.
