

## APPLICATION FOR NONPROFIT PSA

The City of Pinellas Park's Communications and Marketing Department is creating PSAs in 2019 that spotlight local charities and non-profit organizations in Pinellas Park. The charities/non-profits that will be selected for a PSA are those that offer some kind of free program or service for the betterment of our community. The PSAs will play on our local government access channel and website, as well as The City of Pinellas Park's social media accounts, such as Facebook and YouTube.

Please note that the PSAs will only highlight a program or service provided by the requesting non-profit (not the non-profit itself).

The City of Pinellas Park will be spotlighting four (4) organizations in 2019 (one per quarter). The selection process will be on a first come, first served basis.

If you wish to have your organization featured in a PSA please fill out the following information and submit this form to: [jknight@pinellas-park.com](mailto:jknight@pinellas-park.com)
