CITIZEN PARTICIPATION PLAN

Adopted July 26th, 2018

I. Introduction

The U.S. Department of Housing and Urban Development (HUD) requires local government grantees to adopt a Citizen Participation Plan. This plan reflects the City of Pinellas Park's compliance in accordance with 24 CFR 91.105 which describes the standards for local governments' Citizen Participation Plans.

The City of Pinellas Park's Community Development Department conducts the planning and administration for the Community Development Block Grant (CDBG) Program.

The Citizen Participation Plan sets forth the City's policies and procedures for citizen participation with respect to the CDBG Program and the following Consolidated Plan documents:

- Citizen Participation Plan
- Five year Consolidated Plan
- Annual Action Plan
- Consolidated Annual Performance and Evaluation Report
- Substantial Amendments to the Consolidated Plan
- Development of the Analysis of Impediments to Fair Housing

II. Purpose and Goals

The policies and procedures in this Citizen Participation Plan relate to several stages of action mentioned in law or regulation. These stages or events include:

- 1) Identification of housing, public services, and community development needs
- 2) Preparation of a proposed use of funds for the upcoming year called the Annual Action Plan
- 3) Formal approval/adoption by elected officials of a final Citizen Participation Plan, Consolidated Plan/Annual Action Plan, and the Analysis of Impediments to Fair Housing
- 4) Occasionally, during the year, it might be necessary to change the use of the funds already allocated in an Annual Action Plan, or to change priorities/goals established in the Consolidated Plan. In such cases, a formal substantial amendment will be proposed, considered, and acted upon
- 5) Approval of substantial amendments by elected officials
- 6) CDBG program years begin on October 1st and continue through September 30th. After a "program year" is complete, a Consolidated Annual Performance Report must be drafted for public review and comment. The report, as well as any comments received, are forwarded to HUD for review

The City of Pinellas Park's "CDBG Program year" and the City's fiscal year are October 1st through September 30th.

III. Development of Citizen Participation Plan

The citizen participation process is designed to ensure consistent and effective citizen participation in the planning, development and implementation of proposed CDBG programs and activities as noted in the introduction. The process includes actively seeking citizens of all backgrounds to participate and comment in the development of the CDBG Program. Particular emphasis will be placed on recruiting persons of predominately low- and moderate-income neighborhoods, those living in slum and blighted areas or where CDBG funds are proposed to be used; and by minorities, non-English speaking persons or persons with disabilities.

Participation is encouraged by local businesses, developers, Continuum of Care, local and regional institutions, philanthropic organizations, non-profit organizations, community-based and faith-based organizations, public and private organizations, broadband internet service providers, organizations engaged in narrowing the digital divide, agencies whose primary responsibilities include the management of flood prone areas, public land or water resources, emergency management agencies, and other interested parties.

Residents of public and assisted housing (including any resident advisory boards, resident councils, and resident management corporations), and other low-income residents of targeted revitalization areas in which public and assisted housing is located, are encouraged to participate in the development and implementation of the Citizen Participation Plan, the Consolidated Plan and the Impediments for Fair Housing Choice, as applicable.

IV. Citizen Comment on Citizen Participation Plan and Amendments

Pursuant to 24 CFR 91.105 (a)(3), citizens will be provided a reasonable opportunity to comment on the Citizen Participation Plan. In order to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods (see Definitions Section), Pinellas Park will provide public notice of the proposed Citizen Participation Plan and amendments prior to adoption and allow a 30-day period for public comment. The proposed Citizen Participation Plan will be made available for review on the City's website, at the Barbara S. Ponce Public Library, 7790 52nd Street N., Pinellas Park, FL 33781, and at the City's Technical Services Building, 6051 78th Avenue, N., Pinellas Park, FL 33781.

The notice will provide sufficient information about the CPP and/or amendment to permit informed comment. The notice will be published in a newspaper of general circulation in legible print and in a section other than the legal section, on the City's website, government access channel, and on electronic information boards; and will include the location(s) for viewing the plan, indicate the dates of the comment period and provide a means for transmitting comments to the Community Development Department.

Upon request and within five (5) business days prior to public meetings and hearings, the Citizen Participation Plan will be provided in a format to accommodate persons with disabilities (e.g. oral,

Braille, electronic, or large print copies for the visually impaired, and/or delivering copies to the homebound) and for minority populations and persons with limited English proficiency.

V. Assessment of Fair Housing

On July 16, 2015 at 80 FR 42357, HUD published in the Federal Register its Affirmatively Furthering Fair Housing final rule. This rule provided that CDBG Program participants must conduct an Assessment of Fair Housing. Deadlines to submit the assessment to HUD were based on a jurisdiction's deadline for submitting its Consolidated Plan. On October 24, 2016, HUD published at 81 FR 205, which provided an extension of the deadline for submission of the Assessment of Fair Housing for Consolidated Plan participants.

Until such time as the Assessment of Fair Housing requirement is reinstated, Pinellas Park will continue to comply with existing obligations to affirmatively further fair housing through an Analysis of Impediments to Fair Housing. ***FR-5173-N-15 is included with this Plan as Appendix A.***

Any HUD-provided data and other supplemental information that the City plans to incorporate in the development of the Consolidated Plan / Annual Action Plan and the Analysis of Impediments to Fair Housing will be made available to residents, public agencies, and other interested parties at the start of the public participation process (or as reasonably feasible). HUD-provided data may be made available by cross-referencing data on HUD's website.

The City of Pinellas Park will provide public housing agencies with information regarding the Consolidated Plan activities and the Analysis of Impediments to Fair Housing related to its development and surrounding communities.

VIII. Public Hearings

Pursuant to 24 CFR 91.105 Subpart B, the City of Pinellas Park will conduct two public hearings annually to afford residents, public agencies, and other interested parties, an opportunity to examine the Plan's contents and submit comments.

The first hearing will take place during the development of and prior to adoption of the Citizen Participation Plan, the Consolidated Plan/Annual Action Plan and the Analysis of Impediments to Fair Housing to obtain public comment. Public Hearings will be held at times and locations convenient to Plan beneficiaries.

The City of Pinellas Park will provide reasonable and timely notice of all public hearings so that all interested parties may have a chance to attend. In order to ensure that times and locations of public hearings are convenient to potential and actual beneficiaries, public hearings will be held in the evening at a central location with accommodation for persons with physical disabilities. Upon request, provisions will be made for the special needs of non-English speaking persons, as well as for the visually and hearing impaired. Evening meetings will begin no earlier than 6:00 p.m.

Public hearings together, will address:

- Housing and community development needs
- Development of proposed activities
- Proposed strategies and action for affirmatively furthering fair housing
- Review of program performance

The City of Pinellas Park will notify the public of hearings at least fifteen (15) working days, if practicable, in advance by publishing advertisements in one or more local newspapers of general circulation in legible print and in a section other than the legal section, and by posting public notices on the City's website, government access channel, and on electronic information boards.

Occasionally, during the year, it might be necessary to change the use of the funds already allocated in an Annual Action Plan, or to change priorities established in the Consolidated Plan. In such case, additional meetings may be needed to propose, consider, or act upon a formal substantial amendment. Additionally, local public meetings may be held when beneficiaries will be impacted by an activity being implemented in said area.

IX. Substantial Amendments

The following criteria constitute a substantial amendment to the Consolidated Plan:

1) The use of funds changes from one eligible activity to another (Movement of funds from contingency to eligible activities, or movement of residual funds to contingency, are not considered amendments)

- 2) A decision is made to make a change in the allocation priorities or a change in the method of distribution of funds
- 3) A decision is made to carry out an activity, using funds from any program covered by the Consolidated Plan including program income, not previously described in the Annual Action Plan
- 4) A decision is made not to carry out an activity described in the Annual Action Plan. This does not include activities which must be dropped due to circumstances beyond the control of Pinellas Park, e.g., a sub grantee elects not to do an activity; the activity fails because a property owner refuses to sell; etc. In this instance, no decision process is involved and it is not necessary to modify or amend the change through the citizen participation process. However, reallocation of funds to a new activity not previously described in the Annual Action Plan will be a substantial amendment
- 5) The purpose, scope, location or beneficiaries of an activity are substantially changed. An activity will be considered substantially changed when any one of the following criteria apply:
 - a. The activity will no longer principally benefit the targeted population as identified in the Annual Action Plan e.g., senior citizens in certain areas, low- and moderate-income homeowners, homeless men, residents of x neighborhood instead of y neighborhood, pregnant teenagers
 - b. The activity will no longer address the low- and moderate-income need identified in the Annual Action Plan, e.g., shelter for homeless, center for senior citizens, housing for low and moderate-income households, training as daycare providers, or the activity ceases to address the elimination of slums and blight as identified in the Annual Action Plan
 - c. The activity location of an area-benefiting activity changes so that the completed activity will principally serve beneficiaries other than those originally intended
 - d. The scope of the activity has increased to the point where its completion with program funds would result in the inability to carry out another approved activity, or would necessitate reducing the scope of another activity to a point where it would not accomplish its intended purpose

Prior to adoption, citizens, public agencies, and other interested parties will be provided reasonable opportunity to comment on substantial amendments. Pinellas Park will provide public notice of the proposed substantial amendments and allow a 30-day period for public comment. The City will consider any comments or views received in writing or orally during the comment period and at public hearing.

A summary of accepted comments will be included with the substantial amendment and presented to City Council at a public hearing. Once the substantial amendments has been approved by City Council, they will be submitted through HUD's information system. This action must take place prior to developing the next Annual Action Plan.

X. Local Emergencies

In the case of a local emergency, such as a natural disaster or other large-scale emergency, funds may be allocated to eligible activities needed to assist in disaster relief without triggering a substantial amendment with approval from the City of Pinellas Park City Council. Pinellas Park's process for implementing substantial amendments is as follows:

- 1) Publish a notice in a newspaper of general circulation in legible print and in a section other than the legal section giving the proposed change the City is considering, and the availability of any materials on the change. The notice will provide sufficient information about the amendment to permit informed comment. A 30-day comment period will follow the notice of the proposed amendment.
- 2) The City may make other notifications of the proposed substantial amendment as deemed appropriate
- 3) At the end of the 30-day comment period, the City will consider all comments received prior to preparing the final proposed substantial amendment. A summary of these comments or views, and a summary of any comment or views not accepted and the reasons therefore, shall be attached to the substantial amendment of the Consolidated Plan and transmitted to HUD
- 4) The proposed change will be placed on the Pinellas Park City Council's agenda for consideration
- 5) When adopted, a description of the change will be distributed, including summaries as described in number 3 above, to affected agencies or entities and to all persons or agencies that sent written comments. Also, the City will send a news release to local media
- 6) A description of the changes will be sent to HUD, including the summaries described in number 3 above

Notice of the amendments will be posted on the City website at <http://www.pinellas-park.com/> which is accessible through any internet connection, including those at public libraries. The amendments will be signed by the City official representative authorized to take such action, and the City shall notify HUD that the amendment has been made.

XV. Anti-Displacement

In cases where the actions of the City of Pinellas Park's use of federal CDBG grant dollars results in the displacement of residents, the City will implement its anti-displacement relocation plan and make all plans available for public comment. Such plans resulting in displacement of City residents shall include a plan for compensation of persons actually displaced as a result of the use of these funds, specifying the type and amount of compensation.

XVI. Community Participation, Consultation and Coordination

The *Assessment to Furthering Fair Housing* (AFFH) rule requires community participation, consultation and coordination. While high-quality data and rigorous analysis are a central part of the new tool and rule, there are also many facets of a community that simply are not captured in data, no matter how fine-grained. Consequently, HUD recognizes the value of community participation, local data and local knowledge for informing the development of a successful Assessment to Fair Housing.

Community participation can have many benefits, including cost-effectiveness, instilling ownership, supporting fair housing planning in the broader community and building trust and relationships throughout the community. HUD regulations use the terms "Community Participation" when referring to the process for the Assessment to Fair Housing generally and "Citizen Participation" for the specific process required under the Consolidated Plan regulations.

XVII. Technical Assistance

Group representatives of low- and moderate-income residents may request technical assistance to comment on the Citizen Participation Plan, Consolidated Plan/Annual Action Plan, Consolidated Annual Performance Evaluation Report, and/or the Analysis of Impediments to Fair Housing, or to develop funding proposals under any programs covered in the Consolidated Plan

to strengthen community based development organizations within the objectives of the Consolidated Plan. The City will supply reasonable assistance in the form of staff presentations, informational handouts, research of a specific issue, or other short-term efforts. The assistance does not include the provision of funds to the requestor groups.

Complaints may be submitted in writing, by telephone, via email or in person by contacting Pinellas Park's Community Development Department at:

XIX. Use of the Plan

The City of Pinellas Park will follow this Citizen Participation Plan in the development of the Analysis of Impediments to Fair Housing, any revisions to the Analysis of Impediments, Consolidated Plan/Annual Action Plan, and the performance report.

XX. Jurisdiction Responsibility

The requirements for citizen participation do not restrict the responsibility or authority of the City of Pinellas Park for the development and execution of its Consolidated Plan or Analysis of Impediments to Fair Housing.

XXI. Changes to Citizen Participation Plan

This Citizen Participation Plan can be changed only after the public has been notified of the intent to modify it, and only after the public has had a reasonable chance to review and comment on proposed substantive changes or during the regular consolidated planning process which provides for proper public noticing.

HUD issues Extension of Deadline for Submission of AFH for Consolidated Plan Participants (FR-5173-N-15)

Effective immediately, HUD has extended the deadline for submission of an Assessment of Fair Housing (AFH) to all local government consolidated plan program participants until their next AFH submission deadline that falls after October 31, 2020. FHEO has prepared FAQs on the Notice and will be releasing additional information. A copy of the complete Notice is attached.

Consolidated plan program participants must continue to comply with existing, ongoing obligations to affirmatively further fair housing. Until a consolidated plan program participant is required to submit and AFH, it will continue to provide the AFFH Consolidated plan certification in accordance with the requirements that existed prior to August 17, 2015. See 24 CFR 5.160(a)(3). The requirements obligated a program participant to certify that it will affirmatively further fair housing, which means that it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions.

For the purposes of the rule, “community participation” means a solicitation of views and recommendations from members of the community and other interested parties, a consideration of views and recommendations received, and a process for incorporating such views and recommendations into decisions and outcomes. 24 C.F.R 5.152
