Allergies: \_\_\_\_\_

Areas of Concern: (Medical, Dietary, Behavioral) \_\_\_\_\_

**During the year, if any of the above information changes, please be sure to let staff know so we can update and maintain the correct contact information.**

Each afternoon during the school year, the Broderick, Forbes, and Youth Park Recreation Centers offer a variety of recreational activities for children ages 5-12 at Broderick and Forbes and 12 & up at Youth Park. These include indoor and outdoor sports and games, homework help, open game rooms, arts and crafts, and a variety of fee-based activities such as cooking classes, dance and exercise classes, and recreational sports leagues.

Children ages 5 and up with a current Recreation ID Card may visit the centers without a parent or guardian present. Children who are 5 years old must be enrolled in Kindergarten to participate. Children may move freely among any of the rooms or activities that are open at a given time, including outdoor play areas. Advance registration is required for fee-based classes.

**There is no fee for the drop-in Open Rec program, but space is limited, and parents or guardians must sign their child up for the program in advance in order to attend. The parent or guardian must also read and sign the Open Rec Program Guidelines and the Facility Rules of Use.**
